MONTH OF MARCH - MARINETTE, WI & VIRTUAL
Registration at Marinette REC Desk

THE TRI CITY EVENT SERIES EXISTS TO:

- Provide motivation for community members in Marinette and Menominee counties to become more physically active and feel better connected throughout the entire year
- Support and enhance current community events with volunteers and race supplies to bring a professional and "BIG RACE" feel to every event to help increase overall participation
- Grow offerings for children to help them create a positive and lifelong connection to physical activity, improve mental health, develop new relationships, and decrease obesity
- Increase area offerings in the future through the addition of new events such as: Half Marathon, Duathlon, and/or Triathlon

Watch for updates!
